This summer, you will be required to complete a series of assignments due on **three different due dates**. Each assigned practice must be completed before midnight of the due date. You may submit them at any time during the week for which they are assigned – NOT any earlier. If you will be on vacation or away from Internet access, please inform me via email and we will arrange a due date for those practices.

For the Spanish listening practice (SL), navigate to the “Spanish listening” section. The numbers in the chart refer to the assigned video. Click on the link next to each number. Click on

the “self-graded quizzes” option for each listening video. Once you see the quiz, then click play on the video. When you are done, please submit/ record your scores.

For the Spanish verb practice (SV), navigate to the “Spanish verbs” section. The numbers in the chart refer to the practice numbers – check these carefully! When you are done, please submit/ record your scores.

You **MUST** be logged in to complete these exercises. The site will NOT keep you logged in forever. **In order to check if you are logged in, look in the upper righthand corner and be sure that it says your name.** If you see this note, it means that you are logged in.

If you reach the minimum number of vocabulary words and/or verbs AND the minimum percent correct before the 10 minutes are up, you may stop the practice. However you may want to continue to try and improve your percentage.

Once you have completed each verb exercise you will see a note that states “All Done!” It will give your score and your average percentage. It asks “Save Score?”, click on OK. You will see a note in red that states “Your grade has been recorded”. You must be signed in in order for me to see your scores.
