

If you have questions about this assignment, please feel free to contact Sheila Bacon at sheila.bacon@saintjosephprep.org.

Each assigned practice must be completed before midnight of the due date. You may submit them at any time during the week for which they are assigned – **NOT** any earlier. If you will be on vacation or away from Internet access, please inform me via email and we will arrange a due date for those practices.

For each assigned practice you should set the timer for 10 minutes. The number of vocabulary words or verbs you should “attempt” and the minimum percent you need to earn are listed below in the chart. **Please only submit your score ONCE.** If you are at the deadline and haven’t met the minimum, be sure to submit your best score.

For the vocabulary practice, navigate to the “Spanish vocab (book)” section. The numbers in the chart refer to the practice numbers – check these carefully!

During the vocabulary practice, you **MAY NOT** click on “Vocabulary Chart.” I recommend that, before you start the practice, you study the words by either looking at the “Vocabulary List” or reviewing the “Flashcards” on the home page.

For the verb practice, navigate to the “Spanish verbs” section. The numbers in the chart refer to the practice numbers – check these carefully!

During the verb practice, you **MAY NOT** click on “Verb Chart”. I recommend that, before you start the practice, you study the verbs by looking at the “Conjugation Chart” on the home page.

4H

You **MUST** be logged in to complete these exercises. The site will NOT keep you logged in forever. **In order to check if you are logged in, look in the upper righthand corner and be sure that it says your name.** If you see this note, it means that you are logged in.

If you reach the minimum number of vocabulary words and/or verbs AND the minimum percent correct before the 10 minutes are up, you may stop the practice. However you may want to continue to try and improve your percentage.

Once you have completed each exercise you will see a note that states “All Done!” It will give your score and your average percentage. It asks “Save Score?”, click on OK. You will see a note in red that states “Your grade has been recorded”.
